Is it a home phone or is it a wireless phone? Well, yes.

Simply

For the first time eyes, home phone and wireless phone services have been brought together. in a skingle package. It's called Skepty-Ose service" and it is only available from Bell, Samply-Ose works like this. Calls ring at your home first. If there is no answer, the call is forwarded to your Shugh/Car service compatible wireless phone. If you don't answer it then, it goes into your votor mad. It's that simple. Not only do you have just one phone number and one write mail you receive just one abone bill, on which you'll notice the Bell long distance savings plan you subscribe to applies even on wareless calls. If you own a window phone already, ask your field approprietable if it can be reprogrammed for SimplyOne service. To find out more, go to a Bell Photocouter' store or vien our website, or cell us toll-free at 1877 SIMPINT (1877 766-759); bri
